

1. COMMUNICATIONS

Projects start with telephone communications e.g. the sales form and design briefing. As the project moves ahead questions from Authors are processed only through support@greenhillpublishing.com.au. Communications are channeled through this email as a single source – phone calls, voice messages, and/or text messages cannot be responded to unless requested or organised in advance.

2. GENERAL BOOK CONTENT

Content is provided by the author (both text and imagery). Content can be generated or enhanced by *Green Hill* at a negotiated cost. Images are considered author's content and must be provided.

3. EDITING

An editing assessment involves a single editor reviewing a small section of your manuscript (up to 1 hour) and providing an opinion on the extent/type of editing which is required to effect an improvement on the manuscript. The quote provided in this editing assessment is additional to your publishing package and is only valid if the manuscript remains unchanged before editing commences. If the manuscript is altered after the editing assessment, a new assessment will need to be performed at additional charges for an accurate quote.

Once editing had been complete, additional significant work on the manuscript may be subject to additional charges but this will be confirmed after negotiation. This is a rare occurrence and might apply when the author requires major changes to the document. Additional charges are costed at an hourly rate set by the editor.

Please note that re-submission of an altered manuscript (subsequent to the submission of the finalised manuscript) may incur additional cost especially if the editor has to commence the process from the beginning. Editing a resubmitted manuscript after the author has implemented changes often requires the manuscript to be re-edited in its entirety and incurs new editing fees. However if the author uses Microsoft Word track changes on sections of the manuscript, then the editor can edit these sections on an hourly rate set by the editor.

4. TYPESETTING AND DESIGN

The cost of typesetting is included in all proposals and packages. Typesetting costs depend on the approximate number of words and the number of design elements included. Typically the **Essentials** – Basic, **Professional** – Standard and **Professional** – Premium **Publishing Packages** are for books up to 70,000 words or under 230 pages in length. Large books will incur an additional typesetting cost which will be included in the Proposal.

Additions, variations and extra work will be charged at \$100.00 + GST per hour.

Special design elements, including but not limited to break-out boxes, diagrams, charts, maps, illustrations and design element placement will most likely incur additional design fees. Additional design fees are based on the author providing instruction (a design brief) for the design elements required. If the designs required are varied at the request of the author during the design process, then additional design fees will be incurred.

Please note cookbooks and other non-fiction works may require a separate quotation to **typical package** offerings depending on length and complexity.

Manuscript format:

- Manuscripts must be submitted as a **Microsoft Word document**. If electronic copies of the manuscript are unavailable (only available in printed format) scanning and reformatting fees will be incurred. Similarly if a manuscript is only available as a PDF file additional costs will be incurred to convert the file to a usable Word file having all paragraph breaks/carriage returns at the end of each line removed.
- Chapters are to be defined by **page breaks**.
- Manuscripts **should not** be set up using **text boxes**.
- Headings and sub-headings should be defined by a **style** in the Word document.
- The manuscript should not contain **tabs** except poetry which requires offset indentation for stylised effects and for numbered and lettered lists. To properly indent paragraphs, do not use tabs or character spaces; instead use the formatting palette in Word to set a first line indentation value.
- Sentences **should not** have a double space after each full-stop (rather a single space).

Images – Placement of 5 interior images are included in a typical package offering **unless otherwise specified in your proposal**. Images that exceed this number will be charged at the rate of \$5 + GST per image. A rate for over 100 images can be negotiated.

Images must be submitted as either:

- high resolution **.jpg** files embedded within the manuscript; OR
- high resolution .jpg files with a clear reference in the manuscript in this format: Caption: Mary Campbell's early life File: mary campbell.jpg.
- image files must be submitted in **one transfer** (not incrementally or over a number of days) ideally included in a single zip file.
- Images must be at an appropriate resolution being able to be reproduced at **300dpi**.
- If images need to be sourced or created by *Green Hill*, these will incur an additional cost of not less than \$100.00 + GST per hour + materials.

Footnotes – Up to 100 footnotes/endnotes can be included without additional charge.

Index – Indexes are not included in any typical publishing package but can be built in as an additional cost.

Alterations (also known as variations/rework) – Typesetting commences upon receipt of a signed document indicating we have the correct final manuscript.

If another manuscript is submitted after typesetting has been completed or commenced this will incur additional costs. A limited number of corrections to typeset work are within the terms of both the **Essentials** – Basic, **Professional** – Standard, **Professional** – Premium and **Custom Publishing Packages** – one rounds of minor corrections (up to 20) are allowed. Corrections to typesetting are not re-submissions of entire manuscripts for re-typesetting, rather specific instructions to change specific parts of the typeset text. Corrections are limited to minor changes to text (not structural changes to the book layout) – 20 minor changes are provided. The proofing of typeset PDF files by authors is to correct errors in typesetting not to change written content. Re-submission of entire manuscripts will incur a cost to re-typeset the book.

Additions, variations and extra work will be charged at \$100.00 + GST per hour.

5. WEB PAGE

Green Hill will produce a single web page at australianauthors.store as a component of your publishing package. This will include an image of the book's front cover, a description of the book (including ISBN), an author photo and author bio and one link to facilitate sales. This link can only direct sales to a third-party seller (is not an eComerce facility).

6. WEBSITE

Green Hill can be contracted to produce a multiple page website at a URL of your choice at an additional cost to the publishing package.

Inclusions: Website construction includes:

- home page and sub-page design based on book artwork.
- up to 10 sub-pages, including basic optimisation for Search engines e.g. Google.
- page content must be provided in a Microsoft Word document (including images) with each page title clearly identified before commencement of building the site.
- up to 3 blog post entries – content to be provided as a Microsoft Word document.
- up to 5 gallery images – content to be provided as .jpg files.
- purchase of a URL – registered for 1 year.
- 12 months hosting (with the option to remain or transfer to other hosting service at the conclusion of the initial 12 months).
- Shop using Stripe account – authors must establish a Stripe account.
- up to two products set up in shop.
- links to author's previously established Facebook and/or Twitter and one additional social media account e.g. Instagram, YouTube.
- one hour training session.
- guaranteed and maintained for 1 year OR up to 2 hours specific maintenance – **Ongoing Maintenance Packages** available.

Search Engine Optimisation (SEO): While pages can be optimised for keywords, building of a website does not include top Google rankings.

Alterations: A one hour training session will be conducted enabling the author to implement changes to content. *Green Hill* can implement changes after the launch of the website but this will incur additional charges based on an hourly rate of \$100.00 + GST. If specifications for any component are changed after initial specifications/instructions have been given this is deemed to be a variation/alteration.

Customisation:

- Design is based on industry leading open source Content Management System (CMS) theme. Details of the theme can be provided on request. Style changes including changes to Cascading Style Sheets (CSS) may be charged at an hourly rate (\$100.00 + GST per hour) in addition to **Website Package**.
- Inclusion of scripts and alterations to php code can be implemented at an hourly rate but is considered development additional to the standard **Website Package**. Plugins that render pages/posts may need modifications to php scripts and will incur additional fees.
- Functionality additional to the standard CMS installation can be implemented at an hourly rate of \$100.00 + GST + cost of materials.
- Advanced customisation of shopping cart software e.g. establishment of shipping zones, multiple unit shipping prices and php customisation will incur additional fees.

Developer functions: A *Green Hill* website does not provide administrator access to the web backend (including Cpanel) nor does it provide access to SQL databases, php (or other scripted functions) to any other developers. Website files can be provided for porting to a different hosting service but this will incur a charge not less than \$275.00. *Green Hill* remains the website developer for the life of the website.

Hosting and URL (website address): A *Green Hill* website incurs annual hosting fees after the first year of operation i.e. for the second year of operation. In addition, owners of URLs will incur all renewal costs. URL's remain the property of *Green Hill* unless purchased directly from a domain name registration service by the author or by prior specification/negotiation.

7. PRINTING

Green Hill brokers the first print run of your book as part of a publishing package (though the actual cost of print is additional). *Green Hill* does not guarantee delivery times from a printer.

Additional subsequent print runs will incur an administration/service fee of \$100.00 + GST. Authors can also arrange their own printing direct with their printer of choice and *Green Hill* will transfer all digital assets to the author (in the format of print PDF version of interior and cover) for provision to another printer.

Print quotes are only valid at the time of quotation and all variations to cost from the printer will be borne by the author.

Sourcing of quotations from multiple printers will incur a service fee, as does conducting of press checks.

PDF proofs may not accurately reflect print colour reproduction. In addition, colours in electronic files will present differently on different devices e.g. phones, tablets and desktops.

Print files will be prepared for Print on Demand via Lighting Source and for one print format only e.g. soft cover or hard cover. Extra print formats will incur an additional cost.

Additions, variations and extra work will be charged at \$100.00 + GST per hour.

8. DISTRIBUTION and MARKETING

8.1 The distribution service facilitated by *Green Hill* is establishing a book in one major master distributor's online platform. The book will be available for order by both physical and online retail bookshops worldwide. *Green Hill* facilitates the availability of the book for online retailers' websites including Amazon. Retailers make books available at their outlets at their own volition.

8.2 The book will be listed with Thorpe-Bowker, the official ISBN Agency for publishers physically located in Australia.

8.3 Distribution and marketing services that are additional to that included in items 8.1 and 8.2 are available on a fee for service basis.

Payment for all variations must be made in full at their time of completion.

4.3 At *Green Hill's* sole discretion a non-refundable deposit is required at commencement of the project. The deposit covers initial project set up costs and is not refundable. The deposit 50% of the total project cost.

The Editor's work **must be** checked and approved by the Client. 6.3 Where the Client expressly requests *Green Hill* to leave Goods outside *Green Hill's* premises for collection or to deliver the Goods to an unattended location then such Goods shall be left at the Client's sole risk and it shall be the Client's responsibility to ensure the Goods are insured adequately or at all.

6.4 Whilst every care is taken by *Green Hill* to carry out the instructions of the Client, it is the Client's responsibility to undertake a final proof reading of the Goods. *Green Hill* shall be under no liability whatever proof reading. Should the Client's alterations require additional proofs this shall be invoiced as an extra.

6.7 *Green Hill* shall be under no liability whatsoever to the Client for any variation (beyond the reasonable control of *Green Hill*) in colours between the approved prototype (print sample or electronic/PDF sample) and the finished Goods.

6.8 Where the performance of any contract with the Client requires *Green Hill* to obtain Goods or Services from a third party, the contract between *Green Hill* and the Client shall incorporate and shall be subject to the conditions of supply of such Goods and Services to *Green Hill*, and the Client shall be liable for the cost in full including *Green Hill's* margin of such Goods or Services.

6.9 *Green Hill* is under no obligation to provide samples of Goods ordered other than by virtual (computerised) sample. Whilst every effort will be taken by *Green Hill* to match virtual colours with physical colours, *Green Hill* will take no responsibility for any variation between virtual samples and either the virtual sample displayed on the Client's computer and/or the final product. Should a physical sample be required this will be provided on request by the Client.

9. DEFECTS

9.1 The Client shall inspect the Goods on delivery and shall within two (2) days of delivery (time being of the essence) notify *Green Hill* of any alleged defect, shortage in quantity, damage or failure to comply with the description or quote.

The Client shall afford *Green Hill* an opportunity to inspect the Goods within a reasonable time following delivery if the Client believes the Goods are defective in any way.

If the Client shall fail to comply with these provisions the Goods shall be presumed to be free from any defect or damage.

For defective Goods, which *Green Hill* has agreed in writing that the Client is entitled to reject, *Green Hill's* liability is limited to either (at *Green Hill's* discretion) replacing the Goods or repairing the Goods except where the Client has acquired Goods as a consumer within the meaning of the Trade Practices Act 1974 (Cwlth) or the Fair Trading Acts of the relevant state or territories of Australia, and is therefore also entitled to, at the consumer's discretion either a refund of the purchase price of the Goods, or repair of the Goods, or replacement of the Goods.

12. ILLEGAL OR OFFENSIVE MATTER

12.1 *Green Hill* reserves the right to decline to print any content which in its opinion is or may be of an illegal, offensive, insensitive or libellous nature or which might involve any infringement of any third party rights or which would otherwise involve any criminal or tortious liability of any kind.

The Client agrees to indemnify *Green Hill* against all actions, claims, demands, costs and expenses of whatever nature which *Green Hill* may suffer, incur or sustain in connection with, or arising in any way whatsoever from the Goods.
